A car mechanic in London

A car mechanic in London

Nikki Evans is a car mechanic in London. Today we want to share the questions we asked her about her job:

Why do you like to be a mechanic, Nikki?

"Because I can have independence. I can also use my hands, and I like to learn how things work".

Is it difficult for you to work as a mechanic when most in this profession are men?

Yes. It can be difficult to be a woman in this profession but my experience is showing me that many people prefer to have a woman repair their cars."

Where do you work at the moment?

"I don't work for a garage company I work for myself, normally from quarter to eight in the morning to half past five in the evening. I have lunch at quarter past two. I only have thirty minutes to have lunch! I have a lot of work!"

2 Answer these questions.

a. What is her name?

b. Why does she like her job?

c. What does she think about being a woman who works as a mechanic?

d. Where does she work?

e. What time does she start work and what time does she finish?

f. What time does she have lunch?
