

STUDENT'S BOOK – UNIT 3 – PAGE 83 – EXERCISE 3

- A: Peter, look! This is a picture of my grandfather's farm.
- B: It has a small lake!
- A: Yes, you're right! There are a lot of animals.
- B: How many sheep are there?
- A: There are eight sheep.
- B: How many cows are there?
- A: There are two cows.
- B: Is there only one goose?
- A: Yes. But my grandfather wants to buy fifteen more geese.
- B: I see a lot of mice too! How many are there?
- A: Let's count. There is one mouse. No, there are two... five mice in total!
- B: It's a lovely farm. Now I'll show you a picture of the zoo in my city.
- A: Fantastic! Let's have a look.
