

unit 4

Hot and Cold

Lesson 1 The Weather

In this lesson ☀️ ❄️ 📺
you will learn: To talk about the weather and temperature.

Before Listening

- 1 What foods and drinks are nice for these days? Discuss with a partner and match the foods to the pictures.

A cold day

salad

orange juice

A hot day

ice cream

soup

tea

- 2 Follow the lines to find the correct word for each picture.

It's cloudy!

It's sunny!

It's rainy!

It's windy!

It's snowy!

- 3 Write the weather below the pictures. Then, circle the different one. Why is it different?

It's _____ It's _____ It's _____ It's _____

- 4 Do you prefer sunny days or rainy days? What other weathers do you like? Discuss with a partner.
- 5 Use the words from the box and identify the weather according to the pictures. Complete the sentences.

hot ☀️ ☀️ warm ☀️ chilly ❄️ ❄️ cold ❄️ ❄️

It's _____ in the glaciers.

The desert is _____.

It's a _____ day in the countryside.

It's _____ today.

Predict

- 6 Look at the pictures on page 134. Are they reporting for the radio, TV or a newspaper?

After Listening Speaking

- 1 Look at the table and the weather in the photos. Mark any other possible options for each city with a ✓.

What's the Weather Like?			
Weather	 Iquique	 Concepción	 Coyhaique
sunny	✓		
cloudy			
rainy		✓	
snowy			✓
windy			
hot	✓		
chilly			
cold			
warm			

138

- 2 Talk about the weather with a partner using the information in activity 1. You can use this structure:

A: What's the weather like today in Iquique?

B: It's hot and sunny.

Take turns to asking and answering the questions.

Attitude

Write two sentences to motivate someone who thinks speaking English is very difficult. Compare your sentences with a classmate and add the ones you like to your own list.

- 3 Look at the table and fill it with two more places and their weather description. Use **always**, **usually**, **sometimes**, **rarely** and **never**.

The weather in Arica	The weather in _____	The weather in _____
1. In Arica, it's usually sunny and it's rarely cloudy.	1.	1.
2.	2.	2.

- 4 Share your information with a partner and write three more examples of the weather in different cities.

- 5 Predict the weather for this week. If today is Wednesday, start on Thursday. Draw symbols similar to a weather forecast.

Weather Forecast						
Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

- 6 Share your predictions with a partner. Are they similar?
