

A woman with long brown hair, wearing glasses, a red headband, a red t-shirt, blue jeans, and red sneakers, stands with her hands on her hips. She is positioned in the lower right corner of the image. The background features a large, dark silhouette of a tree on the left, a bright yellow sun setting behind a dark horizon line, and a sky filled with orange and red hues. Two birds are visible in flight in the sky. A large, light orange thought bubble is connected to the woman by three smaller circles.
